

A middle-aged Caucasian woman with dark hair pulled back in a ponytail stands in a sun-drenched, vintage classroom ... initially casting her eyes downward to lock onto a butterfly ... before her head jerks upward and rotates right to track the ...

A poised, forty-year-old Caucasian woman with dark, wavy hair stands in a post office queue ... she glances down at her smartphone before turning her head forward ... her expression shifting from a faint, polite smile to a look of determined ...

A 30-year-old Caucasian man with messy dark brown hair, light stubble and a mole on his right cheek is focused on tuning an acoustic guitar, his head tilting down to inspect the strings before lifting his gaze forward to survey the surroundings ...
